INTERIOR:

The cabin feels spacious and airy thanks to extensive use of both light and neutral tones and subtle attention to lighting. Harmony of beige and tan with light beige leather seats and matching beige fabric divan, tan sidewalls and carpet, beige headliner, polished gold hardware and high gloss quartered Honduran mahogany.

Eleven passenger corporate configuration consisting of: a forward four-place club, mid cabin four-place dining group opposite a storage credenza with large pop up flat screen monitor, and aft three place divan (which converts to a two place bed).

Forward full service galley. Entertainment system includes: Airshow Network cabin display, two liquid crystal wall mounted displays, one pop up liquid crystal display from credenza, dual DVD and CD player. Forward and aft lavatories. Complete refurbishment by International Jet Interiors May 2004.

EXTERIOR: Overall white with black & gold accents. Garrett Aviation, May 2004.
