Dear Peter:

I want to take this opportunity to thank you for the excellent job that Loudoun Aviation did with the marketing and sale of our 2002 Falcon 900EX, s/n 103.

Despite the challenging business environment that we faced last year, you were able to execute on your marketing plan and find the buyer that we needed within our specified time frame, and close the deal. Both you and your staff at Loudoun Aviation were responsive to our situation and the specific needs that we had, and your sales contacts and expertise were invaluable.

I look forward to the opportunity to work together again in the future, and until then, best wishes as you continue to serve your clients with focus and integrity.

Sincerely yours,
